

Pupil Bereavement Policy

Document Management Information

Applicable to: All staff in

1. Introduction

- 1.1. At the David Ross Education Trust, we understand that bereavement is faced by members of our Trust and schools' communities at different times, whether this is the death of a family member, a friend or a member of the school community. We understand the importance of providing support to pupils, staff, governors and the wider school and Trust community during and after bereavement.
- 1.2. This policy will focus on the support for pupils, all mentions of 'the family' refer to the family of the deceased individual.

- The principal will gather factual information about what has happened and establish the family's wishes with regards to what information will be communicated to the school / Trust community and how. If a death affects an entire school, e.g. the death of a pupil, the principal will inform the family that staff and pupils will be informed as soon as possible.
- If a death affects an individual pupil, e.g. the death of a parent, the principal will ask the family if they would like this to be communicated to the school community. If it is decided that the death will be communicated, the principal will discuss with the family, and the pupil if possible, what information will be communicated and how the family would like it to be delivered.
- If the death of a pupil's family member occurs while the pupil is at school, a member of the pupil's family will be asked to come to the school to inform the pupil of what has happened and to take them home. If this is not possible, arrangements will be made for a member of staff to take the pupil home.
- The principal / designated safeguarding lead will contact any other agencies as required, e.g. the police and the Local Authority for support. Where children's social care is already involved with the family, the designated safeguarding lead will communicate with the social worker to coordinate support, in discussion with the family.
- The principal will liaise with the police in the event of a death involving murder. Representatives from the media will not be permitted on academy premisesadomisa/vxy (b)2.2 (ee)-3 (/o)-6.62.9 (e)-3 (d)2.2 ()1086
